wrinkle relaxers

Botox & Xeomin are injectable neuro-modulators that are used for medical and cosmetic purposes. Both of these products deliver predictable and subtle results, so you look like a more youthful and refined version of yourself.

Xeomin	\$12.00/Unit
Botox	\$13.00/Unit

dermal fillers

Dermal fillers are injectables that can add desired fullness in the face (and hands) and are often a common alternative to plastic surgery.

Refined Beauty Medical Spa offers a variety of dermal fillers. The prices range from \$400.00 - \$800.00 depending on the product used as well as the areas treated.

SkinPen

SkinPen creates thousands of microchannels that stimulate your body's natural wound healing process, while minimizing cellular damage. This rejuvenates your skin from the inside out. The result is effective remodeling of scar tissue, while keeping the overall structure of the skin intact.

Face	\$350.00
Face/Neck	\$450.00

chemical peels

Chemical peels can help improve the appearance of your skin. A chemical peel can help reduce fine lines, wrinkles, reduce age spots, freckles, and dark patches.

SkinMedica Vitalize	\$149.00
ViPeel Advanced	\$300.00
ViPeel Purify with Precision Plus	\$350.00

collagen stimulation & hair restoration

The use of blood concentrates is becoming more and more popular in medical aesthetics as patients like the concept of using their own cells in their quest for a younger and fresher look. EZPRF produces Platelet-Rich Fibrin from your own blood sample which is then is injected into the area(s) of concern to improve tone, texture and laxity. EZPRF can also be used to stimulate follicles and regenerate hair growth in men & women.

Pricing from \$350-\$850

collagen stimulation

PRX-T33 bio-revitalization is an innovative technique that stimulates the regeneration of the skin without involving exfoliation of the epidermis. For best results, we recommend one treatment per week for four weeks (\$250/treatment)
